1. Ye are the children of one father, provided for by his care; and the breast of one mother hath given you suck.
2. Let the bonds of affection therefore, unite thee with thy brothers that peace and happiness may dwell in thy father's house.
3. And when ye separate in the world, remember the relation that bindeth you to love and unity and prefer not a stranger before thy own blood.
4. If thy brother is in adversity, assist him; if thy sister is in trouble, forsake her not.
5. So shall the fortunes of thy father contribute to the support of his whole race; and his care be continued to you all, in your love to each other.

## **Preamble To The Holy Covenant**

**Q. Why is the Handclasp of Unity pictured above on our Divine Covenant?**

**A. Because we are to remember the bonds of affection that binds us to love and unity. The hand is symbolic of the mind because of its ability to create, grasp, balance and retain. The mind, like the hand, is also a miracle. The retention powers to the hand are first willed from the memory of the mind. Love, Truth, Peace, Freedom and Justice are residual principles created with the hearts and minds of man from the heart of Allah. Freedom is always preserved in the memory of every living thing and when man thinks pure thoughts it is because he remembers himself as God. These thoughts are then transmitted to the hands for the benevolence of mankind on earth. The unification of the one man's hand into another is an acknowledgement of the resurrection; when the will of man and the will of the Great God is realized as fact. All Gods are free and the Moorish Americans are perfected Gods. "The Handclasp of Unity" reminds the Moorish: "This Divine Covenant is from your Holy Prophet, Noble Drew Ali, thru the guidance of His Father God Allah."**

**This Covenant is The First Universal Prayer to all nations. As the first international Prayer, The Holy Covenant of The Asiatic Nations supersedes the Al-Fatiha and The Lord's Prayer before recorded history. It is a Divine Constitutional Bond upon which was established the infinite creed of the world's first theocratic Government. Upon the substance of this Covenant rest our Forefathers founding of the world's first religious creed for the salvation of mankind on earth. This Divine Covenant is from The Father of Love to His Family of Nations through His Prophets and Books of Guidance. This Chapter is also illustrates the First Treaty of our National Alliances with Children Nation State and is the first Treaty in Human Memory. This Holy agreement also personifies Noble Drew Ali, the last Prophet, as coming five times greater than the Prophets before.**

# Understanding Our Holy Covenant To The World

**A Holy Covenant:** A Holy Covenant is an infinite Contract, a divine Treaty, a perpetual Pledge and a harmonious bond from the center of force to the outer bounds of power. It is a sacred Contract and harmonious bond from the heart of The Great God of Love to His perfect Seed. Unlike promises, pledges and treaties agreed among men but are subject unto time, conditional changes and whims of man, all Holy Covenants are of the everlasting of the past unto the never-ending days to come.

The freedom of perfected man to be God is contingent upon his memory of his divine origin. This covenant antagonizes man's will to recall and enables him reciprocate his love to each other. The force of Divine Love luminosities Allah's cares through this Holy Covenant. This grand covenant is Spirit Man's Rights-Of-Passage, through his remembrance, to His love to each other.

**Of The Asiatic Nation:** "The" is an adjective often used to denote oneness, generic or distinction from a noun or pronoun. The entirety of the Human (People of hue) Race is compiled of one Asiatic Nation. In all the earth, there are only two nations of people, the Asiatics of the Hue-Man Family and the Paleskin Nations of Europe. The Asiatic Nation come from the heart of the Great God and perfect although in human form. We are the first Gods to dawn human flesh. The word 'Asiatic' means Earthbound, Human, Created Man, Carnal, Mundane, Person, State, Free National Family, Government Parcel, Citizens or Sovereign People. 57. Who were **Adam and Eve**? (The name Adam derives from the Hebrew word for earth, "Adama." The first true and divine name of Adam is Issa. 'Adam' means just what it says "The state of a damned or fallen god man." The fall represents 'death' or 'away from God consciousness). And before she fell from the ordained state of Goddess to female, 'Isha' was the true name of 'Eve.' According to science, when the word 'Holy' precedes Issa or Isha it then translate into "God is the greatest" or "None greater than God." The state of being Issa and Isha refers to their divinity before they fell into their lowest depths; when they were more god force than human powers. Remember, the Great God Allah does not come in the fallen genders of male and female, masculine nor feminine energies. This is

why the Moorish American Adept Prayer ends not with ‘Amen’ but ‘Holy Is-sha’ (pronounced Holy Eye-ee-sha), acknowledging the return of one’s perfected state as God.

A. They are the **mothers and fathers** (Parents, originator, creators) of the **human** (God manifested in Hued, pigmented or Melaninated flesh) **family** (Sun kissed Nations originating in Africa), **Asiatics** (Earthbound, Mundane, Carnal) and **Moslems** (The Will of man and Will of Allah as One, the name of “Faithful”).

A. They went into **Asia** (Earth land, Pangaea, Laur-asia (Laumuria) and One Island Continental landmass before the great earthquake which created the continents, oceans and seas).

59 – What is the modern name given to their **children**?

A. Asiatics.

62 – What is the shade of their skin?

A. **Olive**. (Olive skin is melanin and has divine susceptibility to the Sun and harmonious with the true colors of life. All olive skinned people, be they African, Chinese, Japanese, Mexican, Korean, Vietnamese, and American etc., draw their hue from their spirit-God Center.

63. Are the **Moorish Americans** (The Moorish Americans are descendants of the ancient Moabites whom inhabited the northwestern and southwestern shores of Africa. There is no one who is able to change man from the descendant nature of his forefathers unless his powers extend beyond the Great universal Creator, Allah Himself. Moorish Americans and AngEls all descend from the one Great God. This is why our forefather and children are also... any relations to those AngEls?

A. Yes, we (**Asiatics**) all have **the same Mother and Father**. All the Moorish American has the same Elohim, (“Soul”) of Creative Fate as Mother and The one Great God of Love as our Father.

Behold, The Divine Covenant of Moorish America

SALVATION

OUR GOD

UNITY

## The Divine Constitution of Moorish America

**Act 1** - The Grand Sheik and the Chairman of Moorish America are in power to make law and enforce laws with the assistance of the Prophet and the Grand Body of Moorish America. The Assistant Grand Sheik is to assist the Grand Sheik in all affairs if he lives according to Love, Truth, Peace, Freedom and Justice, and it is known before the citizens of Moorish America.

### The By-Laws

**Act 2** - All meetings are to be opened and closed promptly according to the Circle Seven and Love, Truth, Peace, Freedom and Justice. Friday is our Holy Day of rest, because on a Friday the first man was formed in flesh and on a Friday the first man departed out of flesh and ascended unto his Father God Allah, for that cause Friday is the Holy Day for all Moslems all over the world.

**Act 3** - Love, Truth, Peace, Freedom and Justice must be proclaimed and practiced by all citizens of Moorish America. No citizen is to put in danger or accuse falsely His Brother or Sister on any occasion at all that may harm His Brother or Sister, because Allah is Love.

**Act 4** - All citizens must preserve these Holy and Divine laws, and all citizens must obey the laws of the Government, because by being a Moorish American, you are a part and parcel of the Government, and must live the life accordingly.

**Act 5** - No organization of Moorish America is to cause any confusion or to overthrow the Laws and Constitution of the said Government but to obey hereby.

Prophet Noble Drew Ali

**Act 6** - With us all citizens must proclaim their Nationality and we are teaching our people their Nationality and their Divine Creed that they may know that they are a part and a parcel of this said Government, and know that they are not Negroes, Colored Folks, Black People or Ethiopians, because these names were given to slaves by slave holders in 1779 and lasted until 1865 during the time of slavery. But this is a New Era of time now and all men now must proclaim their free National Name to be recognized by the government in which they live and the nations of the earth. This is the reason why Allah, the Great God of the universe, ordained Noble Drew Ali, the Prophet, to redeem his people from their sinful ways. The Moorish Americans are the descendants of the ancient Moabites whom inhabited the North Western and South Western shores of Africa.

**Act 7** - All citizens must promptly attend their meetings and become a part and a partial of all uplifting acts of Moorish America. Moorish Americans must pay their dues and keep in line with all necessities of Moorish America and then you are entitled to the name of "Faithful". Husband, you must support your wife and children; wife you must obey your husband and take care of your children and look after the duties of your household. Sons and daughters must obey father and mother and be industrious and become a part of the uplifting of fallen humanity. All Moorish Americans must keep their hearts and minds pure with love and their bodies clean with water. This Divine Covenant is from your Holy Prophet Noble Drew Ali, thru the guidance of His Father God Allah.
